March Talks

March 2nd: Rev. Anna Shouse "You Always Have Something to Give!"

The universe – NOT the world- owes you a living! All that God is, is yours. Express Divine Good and circulate it generously. Put yourself in the flow of living and give, give, give, for circulation is the key to abundance. Watch yourself and your blessings grow – pressed down, shaken together, and running over!

Luke 6:38, John 4: 31-35. John 10:10

Special Music: Joy Zimmerman

March 9th: Rev. Jen Hutchins "Wisdom Letters"

During times of outer chaos, inner wisdom will guide your way. Rev. Jen Hutchins brings an inspirational look into the Book of Wisdom. Together we will explore the nature and character of Wisdom and how she can serve as your constant companion. Via a creative exercise you will learn to listen to and trust your inner voice with confidence.

"Wisdom is radiant and unfading, and she is easily discerned by those who love her and is found by those who seek her." - Wisdom 6:12

Special Music: StarSister Revival

March 16th: Robin Goff, LUT "A Glimpse of the Past"

Robin and special guest, Pam Grout, will share some insights from their recent trip to South Africa. The Light Center's LoveLight Program provides camps for youth in a small town outside of Cape Town, but the truth is that we are served way beyond anything we can share!

Special Music: Stephanie Bland

March Talks

March 23rd: Kelley Hunt “Lifelines”

Throughout our lives we may need help getting through a rough patch, a challenging problem, a seemingly insurmountable circumstance. Where can we turn to for our own “lifelines” in the maze of information that surrounds us? We’ll look at the Unity movement and the many helpful and practical tools it offers us.

Special Music: Kelley Hunt

March 30th: Diane Silver “When Everything Falls Apart”

What can we do when it seems as if life has turned into a dumpster fire? Let’s find out together.

Special Music: Steve Epley

Metaphysical Explorations at Unity

The term Metaphysical has many meanings. Essentially, it refers to that which is hidden and beyond ordinary perceptions. Terms such as the great mystery, mystical union, and esoteric knowledge all relate to metaphysics. Questions such as " What is God? How was the universe created? Who and what am I? Is there an afterlife?" and so forth are metaphysical in nature. The format will include the sharing of information and open discussion with an emphasis on interaction.

Metaphysical Explorations at Unity will meet once a month on the second Sunday right after the potluck at 12:45 to 1:45 pm starting March 9th in the sanctuary.

Led by Phil Roger who has explored both Eastern and Western metaphysics for over 50 years and still maintains a beginner's mind.
